THEY FIND IN URIC-O A PERMANENT CURE

Rheumatic Sufferers Rejoice in Receiving Such Splendid Results From Uric-O.

If a convention could be held of all the Rheumatic sufferers who have been cured completely by the use of Uric-O, there would be such a rejoicing as to convince every skeptic that there has at last been found the true "Fountain" of health, and yet this would be a decided error, for Uric-O is not a "cure-all," but simply a cure for Rheumatism and Rheumatism only. Every sufferer from Rheumatism, who wants to be rid of the sleepless nights, the nerve binding, muscle twisting hours of pain, should lay aside all other forms of treatment, get a bottle of Uric-O and start rejoicing on his way to health. It matters little how long one has suffered from the trouble nor how intense the suffering. Uric-O will cure it. Cure it completely, cure it permanently and cure it to last. Uric-O cures Muscular Arterial and Inflammatory Rheumatism yield at once to this mighty healing agent. Druggists and physicians everywhere are gladly recommending Uric-O for Rheumatism because they know its wonderful curative properties cannot be exaggerated. Uric-O acts directly upon the blood, muscles and kidneys. It neutralizes the uric and rheumatic acid poison, and drives it from the blood. The Red Cross Pharmacy is the "Home of Uric-O" in Barre and they sell it and guarantee it for \$2.00 and \$1.00 a bottle. We know you can be cured by Uric-O and if you will only try one bottle you will thank us from the bottom of your heart for having made you acquainted with this marvelous remedy. Don't delay, buy it off. Try it and you will be sure to get it. Uric-O is sold in Barre by the many curers. Uric-O has effected right here in your own town. If you desire, you can test and try it free of charge by sending your name and address to the Smith Drug Co., Syracuse, N. Y., and asking for a sample free.

AN ALIENATION SUIT.

Alexander Miller Seeks to Recover \$10,000 from W. G. Durfee.

Burlington, Nov. 30.—Papers have been served by Deputy Sheriff Charles E. Quinn in a suit brought by Alexander Miller against Walter G. Durfee in an action to recover \$10,000 for alleged alienation of the affections of the plaintiff's wife. E. F. Fowler became Mr. Durfee's surety. The case is returnable at the March term of the Chittenden county court.

The allegations are that Durfee who is the holder of a first-class license with a saloon on South Battery street persuaded and enticed Mabel Steady Miller, the plaintiff's wife, to leave her home October 30 of this year, that Mrs. Miller has since remained continuously away from her husband and is still away, so that he is deprived of her comfort, fellowship, aid and assistance.

WED TO KEEP FEET WARM.

Then 81 and 30 Fought, But Made Up in Court—Left Arm in Arm.

Wilkesbarre, Pa., Nov. 30.—In the midst of the testimony of his thirty-year-old wife, which charged him with assault and battery, eighty-one-year-old John Davenport yesterday cried out in Alderman Brown's court: "Oh, I only married her to keep my feet warm." There was such a discrepancy in the testimony that the alderman directed the woman to give a practical demonstration of how her husband seized her about the neck and shook her. She did so, and as the pair wrestled about the room they smiled in each other's face and then laughed.

"Aw, kiss and make up," some spectator shouted, and they did so and were reconciled, leaving the court room arm in arm.

When to Feed Poultry Food.

Not long ago the manufacturers of "Page's Perfected Poultry Food" inquired of some of the prominent poultry breeders of New England as to what they considered the best time in which to feed this food. D. J. Lambert of Apponaug, R. I., who is famous as a breeder of high class poultry and one of the best known in New England, answered as follows: "We feed 'Page's Poultry Food' every month in the year."

Any one sending his address on a postal card to C. S. Page, Hyde Park, Vt., and mentioning this paper, will receive by mail, free, postpaid, a sample package of "Page's Perfected Poultry Food."

NEW YORK CITY.

New York city has nineteen colleges within its borders.

Men in New York city smoke 1,104,000 cigars each day.

Thirty bodies pass through the New York morgue each day, and it costs the city \$32.50 apiece to bury them.

The water consumed daily in New York city is about 500,000,000 gallons, weighing 2,100,000 tons, and its volume would fill a canal sixty feet wide, ten feet deep and twenty-one miles long.

New York city, by that name, is now working under its sixth charter. The first one was granted by James II. in 1680, the second by George II. in 1730, and the people prepared the third one in 1820.—New York Herald.

Burning Meteors.

It is supposed that meteors begin to burn when they are within about 125 miles of the earth and that combustion is completed and they disappear at from thirty-five to fifty miles above the earth. When we see a falling star, therefore, we may consider that we have watched it through a flight of about a hundred miles before it finally burns out and disappears from view.

In the Choir.

"The soprano gave the choirmaster a canary for a birthday gift," remarked the contralto, "and he's named it after her."

"Quite appropriate, eh?" replied the tenor.

"Yes, I understand the bird can't sing a little bit!"—Catholic Standard and Times.

BATTILING NELSON.

Gan-Nelson Fight Pictures.

Now that Billy Nolan's fantastic impression has again reopened the wounds of defeat inflicted upon his protegee, Battling Nelson, in Goldfield recently by endeavoring to fight the great, light-weight championship battle all over in the columns of the New York press, the advent of the Gan-Nelson moving pictures, only authentic photographic reproductions of that celebrated contest, which will be shown at the opera house on Saturday afternoon and evening, Dec. 1, is palpable with public interest. While Mr. Nolan's contention that Nelson was robbed of the decision by referee George Siler is getting more or less respectful hearing, it must be remembered that the camera does not lie upon

occasions of this character. Despite Nolan's repeated assertions that Mr. Siler was not standing in a position to observe the alleged foul when it was committed the management of the pictures to be displayed here, and who represent the club under whose auspices the fight was held, maintain that they will conclusively show the foul was committed and the manner of its doing. Every round from the first to the fatal forty-second is recorded on this particular roll of film, and the true answer is there for the observation of all doubters. Another revelation of those pictures that will prove a surprise is the number of women who attended the original battle, a sight never paralleled in the history of pugilism.
